

Restricted product

For Schlage® Primus and Everest key systems

At Schlage we take key control as seriously as you do. Visit our secure web portal that takes all the hassle out of ordering keys and cylinders for patented or restricted key systems.

BENEFITS:

- Manage who can generate restricted product authorizations for your keyways
- Get validations completed quicker, rather than waiting on them through the mail
- Ability to review order authorization history
- Eliminate the current paperwork intensive process
- All restricted product authorizations are securely generated by Schlage

Users can now manage all orders on **restrictedproduct.allegion.com**, a one stop shop for all validation orders.

How to register

1. Go to restrictedproduct.allegion.com
2. Fill in the user information that will be used to create your profile.

The image shows the Allegion registration page. On the left is a large image of a modern building. On the right, there's a 'Welcome to Allegion' message with the tagline 'Securing the places where people live and thrive.' Below this is a form with fields for First Name, Last Name, Email, and Password. There are 'Create Profile' and 'Already have a profile?' buttons.

3. Click "Create profile"
4. Company information should be for the parent organization of the restricted key system installed (i.e. County School Corporation versus County High School).
5. Login name will be your company/ corporate e-mail address.
6. Clicking submit will send your request for an account to Allegion for approval. You will receive an authentication e-mail that will require action. Check your e-mail inbox.
